Welcome to the 2022 Forrest Parade School Year Book

Congratulations on the completion of the 2022 school year! I hope that you enjoy this Yearbook and take a moment to reflect on the new learning, friendships, and fun that we experienced together this year.

This year we celebrated the 5th anniversary of the school. This has been a great opportunity to reflect on all we have achieved in our first 5 years. None of this would have been possible without our amazing staff. It is a privilege to lead such a committed group of people. Every person has contributed and I am grateful to have had the opportunity to lead such an inspiring, committed group of people.

I also want to take this opportunity to thank our School Council who support our School Improvement process. All our families have been 100% behind us in our planning and implementing Comprehensive Literacy and we are grateful for this.

Comprehensive Literacy has been our whole school instructional model since we opened in 2017. Our goal is to be a communication accessible school as we give every child a pencil and a voice. PODD is our core communication tool at Forrest Parade. We have come so far and always planning our next steps. We look forward to 2023 when we will focus on our Communication policy.

As we move forward, we will continue to be guided by our core values of being respectful, safe and caring. Thank you to all of our students, families, and staff for making the 2022 school year unforgettable in all the right ways.

Have a wonderful and safe summer and we look forward to seeing you in 2023. We wish our awesome Y6 students all the best at Middle School, we are so proud of all you have achieved. For our departing students and families, please know that Forrest parade is always a place you can call home.
