Welcome to the 2023 Forrest Parade School Year Book

Through this awesome yearbook let us reflect and celebrate all we have achieved over the past year. In particular our successful school review in November, the process confirmed our commitment to Comprehensive Literacy as we strive to be a communication accessible school.

None of this happens by chance; it is the result of our exceptional team of dedicated and passionate staff members who consistently go above and beyond to support our students in realising their full potential. The positive impact our educators have in their daily interaction with our children cannot be underestimated. I am also very grateful to our leadership team whose knowledge, dedication and mentorship help keep us moving in the right direction. I express heartfelt appreciation and gratitude to all our staff, for their commitment and hard work in creating a stimulating and caring learning environment for our students.

By all measures 2023 has been a very successful year for Forrest Parade and I attribute a great deal of this to the support received from our School Council and all Forrest Parade families. We are sincerely grateful for our partnership and acknowledge your contributions and support in allowing us to achieve all that we have.

If you are continuing your journey with us or as a family moving to pastures new, I am sure the Forrest parade values will continue to play an important role in your child's development. I extend sincere gratitude to our parents and caregivers for entrusting us with your children's education and well-being. We are immensely proud of their achievements and eagerly look forward to what next year brings.

Annie Keighran
Principal, Forrest Parade School

**"Take pride in how far you've come.
Have faith in how far you can go.
But don't forget to enjoy the journey."**

Michael Josephson
